ABOUT ME

Originally from Texas, I'm a Deakin University graduate with a BA in both Drama and Creative Writing; currently living in Melbourne, Australia. Besides being an award nominated actor, I teach Yoga and meditation, as well as work at 16th Street Actors Studio as a copywriter and Marketing assistant. Previously, I studied digital writing with The American College of Greece and travelled Europe as a travel blogging hobbyist. My vision moving forward is to expand my experience in the Australian Theatre and Film industry as an actor.
